Application for an amendment to a clearing permit

Environmental Protection Act 1986, section 51M

FORM C4

Clearing of native vegetation is prohibited in Western Australia except where a clearing permit has been granted or an exemption applies. A person who causes or allows unauthorised clearing commits an offence.

For further information on the stages of assessment for clearing permit applications (including amendments to existing permits), refer to the [Procedure: Native vegetation clearing permits](#) on DWER's website.

Part 1: Assessment bilateral agreement

If the amendment of a clearing permit will or is likely to impact on a matter of national environmental significance identified under the *Environment Protection and Biodiversity Conservation Act 1999* (Cth) (EPBC Act) the original application must have been assessed in accordance with the bilateral assessment, and a variation under the EPBC Act is required prior to submitting this amendment application form.

To be assessed in this manner, the proposed clearing action must be referred to the Commonwealth under the EPBC Act and deemed a '[controlled action](#)' prior to submitting this application form.

Further information is located in *Form Annex C7* and *A guide to native vegetation clearing processes under the Assessment bilateral agreement* available at www.der.wa.gov.au/our-work/clearing-permits.

Do you want your proposed clearing action assessed in accordance with, or under, an EPBC Act Accredited Process such as the assessment bilateral agreement?

Part 3: Applicant	
Applicant details	
To apply for an amendment to a permit you must be the current holder of the existing permit. Include Australian Company Number (ACN) if the proposed permit holder is a body corporate or other entity formed at law.	Are you applying as an individual, a company or incorporated body? Enter details for one only.
	An individual Title Mr ☐ Mrs ☐ Ms ☐ Other:
	Name/s
	OR A body corporate or other entity formed at law (include ACN) Atlas Iron Pty Ltd ACN 110 396 168
Applicant contact details	
If applying as a company or incorporated body, please also supply the registered business office address. DWER and DMIRS prefer to send all correspondence electronically via email. We request that you consent to receiving all correspondence relating to instruments and notices under Part V of the EP Act ("Part V documents") electronically via email by indicating your consent in this section of the application form. Where 'yes' is selected, all correspondence from DWER or DMIRS (as applicable) will be sent to you via email, to the email address provided in this section. Where 'no' has been selected, Part V documents will be posted to you in hard copy to the postal/business address you have provided in this section. Other general correspondence may still be sent to you via email.

If different from the applicant's contact details, enter the contact details of a person with whom DWER or DMIRS should liaise with concerning this clearing application.	

Part 4: Proposed amendments				
Additional information to support the assessment of your application to amend may be attached. Please ensure you have included the following as part of your application: - a photocopy of the granted clearing permit, with proposed changes highlighted, and - payment of the prescribed fee. When providing details of the proposed change(s), if any additional clearing is proposed, include details of: - the proposed method of the clearing; - the purpose of the clearing; - the period within which the clearing is proposed to be undertaken (taking note of the published minimum assessment timeframes for DWER / DMIRS, as applicable); and - the final land use.	Indicate the types of proposed change(s) to your clearing permit by selecting the relevant box(es):			
	☒	Extend the duration of the clearing permit.		
	☐	Vary / add / remove a permit condition relating to a matter other than the size or boundary of the area to be cleared.		
	☐	Amend the size of the area permitted to be cleared, or add / remove a land parcel on the clearing permit.		
	☐	Redescribe the boundary of the area authorised to be cleared <i>[for an area permit only]</i>		
	☐	Make a correction to the clearing permit.		
	☐	Other.		
Provide details of the proposed change(s), and the rationale for it / them. The Abydos haul road, covered by this Clearing Permit (5343/3), is being renovated to accommodate traffic from the newly opening Miralga Creek DSO Mining Project (RED ID 95854). Extending this Clearing Permit will allow for any clearing works required for the haul road renovation within the existing clearing permit boundary and in accordance with the existing Abydos Link Road Mining Proposal (REG ID 37527). It is proposed that the clearing permit be extended to align with the Miralga Creek mine life ie; until 30 September 2026.				
For an application to amend the size of the area permitted to be cleared, or add a land parcel to the clearing permit, you must have the authority of the landowner to access the land and undertake the clearing.	State the nature of the applicant's authority to access the land to be cleared. Evidence of authority can include e.g. a copy of the certificate of title or a letter of authority signed by the landowner or other person with authority to give legal land access permission. <i>[Attach evidence of authority. Note that a letter of authority must explicitly state the applicant has authority to clear on the land.]</i>			
Provide additional property details if required – if applying to extend the size of the area to be cleared into another land parcel.	Land description: volume and folio number, lot or location number(s), Crown lease or reserve number, pastoral lease number, or mining tenement number of all properties.			
You must provide evidence that avoidance and mitigation options have been pursued to eliminate, reduce or otherwise mitigate the need for, and scale of, the proposed clearing of native vegetation.	Have alternatives that would avoid or minimise the need for clearing been considered and applied? ☒ Yes ☐ No			
	If yes, provide details: Clearing has been undertaken on an as needs basis.			
Refer to DWER's Clearing of native vegetation offsets procedure guideline available on the DWER website, and the EPA's WA Environmental Offsets Policy and Guidelines on the EPA website for further information.	Do you want to submit a clearing permit offset proposal with your application? ☐ Yes ☒ No			
	If yes, provide details, and complete and attach Appendix A of the <i>Clearing of native vegetation offsets procedure guideline</i>.
